

Mr. Colby:

*Sen. Perle  
GC on  
Investigation*

[redacted] advises that Richard Perle, from Senator Jackson's staff, called him on behalf of the Senator to ask if CIA had any prior intelligence of the Israeli raid into Beirut. [redacted] said he checked with Bruce Clarke, John Huizenga, [redacted] all of whom said we did not, although they commented that they could not be sure about Jim Angleton's shop. I asked [redacted] if he had checked with Mr. Angleton, and he replied in the negative, adding that he was not sure he would get a straight answer from Jim A, so he is turning to you.
